Our Training Activities

Sustainable Sourcing Solutions (3S):

3S is one of the growing supply-chain organization which provides all types of industrial equipment, goods & services at competitive & reasonable price in timely delivery to the customer.

3S always believes in best quality product & service when its require round the clock.

And also committed to provide the most updated & environment friendly eco-product for the sustainable green industry to ensure the circular-economy. Currently we provide below products & services:

Chemical Spill Kits;

ETP laboratory all equipment;

Industry Grade FRP (Fiber Reinforced Plastic) Products;

Sewing machine spare parts;

ETP Blower, Pump, Diffuser, Sludge Dewatering Machine, Aerator, as per your requirement:

Fire Safety & Chemical Safety Equipment; Solar Panel;

Fire Hydrant.

❖ EPL Inspection, Calibration and Testing Services:

Inspection & Testing Services in the Industry

1. Ambient Air Quality Testing
2. Stack Air Emission Testing.
3. Indoor Air Quality Testing
4. VOC & ODS Monitoring.
5. Light Level Monitoring.
6. Noise Level Monitoring.
7. Temperature Level Monitoring.
8. Humidity Level Monitoring.
9. Green House Gas (GHG)
10. Compressor Leak Test.
11. Gas Cylinder Leak Test.
12. Electro-Mechanical & thermal equipment calibration.

❖ EPL Chemicals & Dyes Ltd.:

- Textile Auxiliaries.
- Basic Chemicals.
- All types of Dyes.
- All Types of ETP & WTP Chemicals.

❖ EPL Engineering Solutions Ltd.:

Rain Water Harvesting System;

ETP, STP, WTP, RO & ZLD Installation;

1. LT (Low Tension) Switchgear, DB, SDB, PFI (Power Factor Improvement) Plant.
2. SLD (Single Line Diagram).

3. LPS (Lightning Protection System).
4. SLD (Single Line Diagram).

5. Deep Tube Well Installation.

6. Airline, Streamline & Waterline Installation.

EPL Group started its journey 1st January, 2016 and working in multidimensional activities under following concern:

- Institute of Water and Wastewater Research Technology (IWWRT).
- EPL Inspection and Testing Services Ltd.
- Sustainable Sourcing Solutions (3S).
- EPL Engineering Solutions Ltd.
- EPL Chemicals & Dyes Ltd.
- EPL Agro Firms Ltd.
